JAMES IRWIN

1930 - 1991

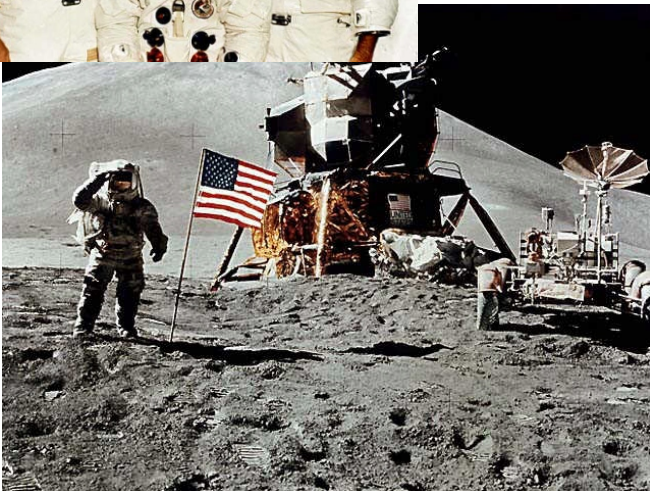

**Apollo 15 Astronaut
Biblical Archaeologist**

- One of only 12 men who have walked on the moon
- Drove first lunar rover
- Led searches on Ararat for Noah's Ark
- Founder of High Flight Foundation to support research into Biblical sites
- Bold Christian witness

“Dave and Jim could travel faster, gather more samples, and make more scientific observations with their lunar wheels. It was a great mission.”

– Apollo 12 astronaut Alan Bean

“After the flight the power of God was working in me, and I was possessed by a growing feeling that God did have a new mission for me.”

– Col. James Irwin
